**LIMITED WARRANTY/LIMITATION OF LIABILITY:** Las Vegas Digital Dental Solutions ("the lab") provides dental laboratory services ("devices") in the belief that such devices will be useful but WITHOUT ANY WARRANTY—without even the implied warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE—except that, subject to the return of devices that are placed and then fail, the lab will, in its sole discretion, either repair or replace such devices without charge for the lab's cost of materials and workmanship or refund the original price paid for a period of seven years from the date of delivery for custom implant abutments and ninety days from the date of delivery for all other devices (hereafter referred to as the lab's "remake warranty"). The remake warranty does not cover breakage resulting from accident or misuse. You agree to indemnify and hold the lab harmless from and against any claim or demand, including reasonable attorneys fees, made by any third party due to or arising out of your use of said devices. The lab does not guarantee the performance of independent carriers. You acknowledge that limitations on liability are a usual part of business-to-business relationships, and a common practice in the dental industry, and that such limitations as specifically stated above are relied upon by the lab when establishing the cost of providing dental laboratory services to your order. All matters arising from said relationship shall be interpreted and enforced in accordance with the laws of Nevada.
